PROFESSIONAL SUMMARY

I am a final-year Bachelor of Computing student at INTI College Penang, expected to graduate in April 2025. I am actively seeking an internship in web development or a related IT position, ideally from 16 December 2024 to 31 March 2025 (12 weeks), though the dates can be discussed. I am passionate about software development (web and mobile). I look forward to gaining hands-on experience and contributing to innovative solutions during my internship.
